

REQUIREMENTS FOR PAPERS

There will be published materials with the volume from 4 to 7 full pages. All materials shall be submitted in two copies that are printed on a laser (inkjet) printer and (it is obligatory) on the electronic storage media (disk, floppy disk). Scientific papers with the signatures of the authors, applications and texts of annotations are sent to the address of the organizational committee and to the address omd_zntu@mail.ru, valer-ij@zntu.edu.ua with the theme marked <author's name, city> (Ivanov Kiev). In addition, the paper includes:

- Abstract (7-10 lines, Times New Roman font, size 10 pt) in Russian, Ukrainian and English (text of annotations and title in all languages must be completely identical);
- Key words (5-10 words, Times New Roman font, size - 10 pt) in Russian, Ukrainian and English languages;
- Brief overview of all authors;
- Statements of expertise (for authors from Ukraine);
- Review of Doctor of Science and an extract from the protocol of the department or division meeting;

The structure of the paper must meet the requirements of Superior Certifying Commission and contain the following sections:

-**Statement of the problem**, the problem in general and its relationship to important scientific and practical tasks;

-**Analysis of recent publications** (at least 3 articles published in the last 10 years), which have begun to solve the problem and on which the author relies, selection of outstanding parts of the general problem, to which the article is devoted;

-**Statement of purpose of the article** (with a paragraph - "The aim is to") and statement of special problems that are solved in the article;

-**Statement of the basic research material** with full substantiation of the received scientific results;

- **Conclusions** (with the heading CONCLUSIONS, located on the center of a line).

The text must be placed on the white paper of A4 format (210.297 mm) with margins of 20 mm from each side. **The pages are not numbered.** It must be a book orientation of the page for the text placement. It is allowed to use the album orientation if it is necessary to place the table data, diagrams, schemes and drawings.

The text of the article must be formed in the editor **Word 7.0-9.0** with the type Times New Roman Cyr (normal) with the size 12 pt; it must be **single interval** between the lines; the indentation have to be 12.5 mm; the text must be ranged by the width of the page with the divisions of words. **The text of the annotation (Russian, Ukrainian and English) and the literature** must be formed with the type Times New Roman Cyr (italics) with the size 10 pt; it must be **single interval** between the lines. **There must be no accentuation in the text with the clarendon and justification with gaps.**

The artwork is mounted directly in the text. The ward wrap of drawings must be set. If necessary, it is allowed to use the colored drawings. All the artwork, especially scanned (resolution - at least 200 dpi), should be clear, without compression.

The formulas must be composed in a text editor **Microsoft Equation 2.0/3.0** with the following parameters: normal index - 12 pt; large index - 10 pt, small index -8 pt; large symbol - 14 pt, small symbol - 8 pt, the formulas must be ranged by the width of the page without indentation. The numeration of the formulas must be done with the ranging of the number by the right margin.

The order of papers' registration. UDC is composed indented on the first line. The author's surname and initials are composed in the next line intended on the right edge. The article's title is composed by capital letters below intended with the font Times New Roman Cyr (normal) in the size 12 pt.

The list of the literature is entitled by a word the LITERATURE composed caps with the type **Times New Roman Cyr (normal)** in the size 12 pt on the center of page in a line from the text of the article. The list of the literature is issued with the type **Times New Roman Cyr (italics)** in the size 10 pt; it must be an unary interval between lines.

Information about the authors: specify the place of employment, position, scientific degree and academic title, telephone number and email address (e-mail) for correspondence.

Articles which do not meet aforesaid requirements are not accepted. by editorial board.

Information on payment of the arrangement fee

The arrangement fee will be paid during registration of participants

To compensate the outlay concerned with the issuing of the collection of scientific papers, organization expenses, and informational materials it is necessary to transfer the arrangement fee in the sum of 350 hryvnias (including VAT). The arrangement fee may be paid during the registration.

Bank details:

ZNTU

ЄДРПОУ Code 02070849

Account 35224008001082

Bank ГУДКСУ in Zaporizhzhya region

МФО 813015

Purpose of payment:

The arrangement fee for the conference "Machines and plastic deformation of metals".

A copy of the payment order must be sent together with the materials of the reports.

Payment for accommodation, meals and travel is not included to the arrangement fee.

Accommodation of the Conference participants:

• Hotel of ZNTU with three meals a day;

• Another hotel can be reserved at the request of participant .

The cultural program will be developed at the request of participants.

Dear Colleague,

Zaporizhzhya National Technical University is going to hold the II International Scientific and Technical Conference “Machines and plastic deformation of metals” in November 2012.

The conference will be held in the form of meetings and panel discussions in the following areas:

- Mechanics of deformed solid body;
- Advanced technologies of metal forming in metallurgy industry;
- Advanced technologies of metal forming in mechanical engineering;
- Equipment for metal forming shops in mechanical engineering and metallurgy industry

We invite you to participate in the conference. Thereto you have to send on the address of the organizational committee:

- The application form of the participants of the Conference – by **June 1, 2012**;
- The theses of your reports in the e-form up to 1 page - by **September 1, 2012**;
- The materials of the articles - by **September 1, 2012**.

Working languages of the Conference are: Ukrainian, Russian and English.

The full text of the reports recommended for publication by the program committee, will be published in the magazine "Material Forming" included in the list of scientific issues of Ukraine, where the results of dissertations may be published.
